ABOUT US

Coral Kids – The International Preschool is a next-generation early childhood education center.

- **Blending global early learning practices** with innovative educational technology.

- **A safe, stimulating, and joyful environment** where children learn through exploration, creativity, and play.

- **Our approach emphasizes holistic development**—cognitive, social, emotional, and physical—during the most critical years of a child's growth.

- **Our philosophy blends play-based learning** with structured early education to help children grow academically, socially, emotionally, and physically.

- **15 Years of Experience in Education School Sectors by Edu Guidance and Services**

With 15 years of proven expertise, Edu Guidance and Services has been a trusted name in delivering quality, innovation, and excellence in the education and school sectors.

OUR PROGRAMMES

A strong start for a brighter future

TODDLERS

(1 – 2 YEARS)

A warm and caring environment that nurtures curiosity, builds confidence and encourages early exploration through play.

PRE NURSERY

(2 – 3 YEARS)

Children explore, discover and learn through structured activities that build motor skills, language and social development.

JUNIOR KG

(3 – 4 YEARS)

A strong foundation for academic skills, creativity and emotional growth through engaging and interactive learning.

SENIOR KG

(4 – 5 YEARS)

Preparing children for future success by developing independence, problem solving, communication and confidence.

**NURTURING YOUNG MINDS,
